Operation Round Up | Snapping
Shoals EMC (ssemc.com)

Concern for Community is a guiding principle of cooperatives such as Snapping Shoals EMC. In that spirit, SSEMC's Trust Board donated \$129,500 from Operation Round Up funds to food banks in our surrounding communities.

"small change that changes lives"

Snapping Shoals EMC members who participate in Operation Round Up are part of a program that has helped thousands of people in our local communities.

Operation Round Up offers a way for members for help neighbors in need for what generally amounts to small change - whatever it takes to round up their power bill to the next dollar. Contributions range from a penny to 99 cents per month, an average of just \$6 a year. As a Round Up participant, your Snapping Shoals bill is simply rounded up to the next full dollar. For example, a bill for \$87.80 would be rounded up to \$88.00. and that 20 cents would be donated to the Operation Round Up program.

All Operation Round Up requests are reviewed by the Snapping Shoals Electric Trust Board of Directors, which is made up of community leaders who serve on a voluntary basis. The Trust Board meets every other month and evaluates all requests to ensure that funds are disbursed fairly.

Repairers of the Breach

Repairers of the Breach is a nonprofit organization dedicated to sharing the love of Jesus Christ by providing help and hope to the housing insecurity, homeless, hungry, or otherwise vulnerable and in need. Founded in 1991, the ministry initially focused on helping the families of those who were incarcerated. As time went by, they saw that many of their friends and neighbors struggled with the most basic necessities like food, paying for water and electricity, and keeping a roof over their head. The organization now offers a Thrift Store Ministry, a Food Ministry, a Hygiene Ministry, a Housing and Utility Ministry, and a Christmas Ministry.
